Shakira (Registered Name: Golden Pelt) is a 2000 Thoroughbred mare. Shakira has been used as a lesson horse for beginner-intermediate riders for the last two years. Shakira is a gorgeous mover and consistently places in the ribbons at local Hunter circuit shows.

At their summer 2011 show, a 15-year old student and Shakira took Reserve Grand Champion in the 2'6" Hunters. In fall 2010, at Shakira's first show, an 11-year old student took Reserve Grand Champion in the Novice Hunter Division with Shakira. This is a very quiet horse who is willing to work and learn!

Shakira is currently being schooled over 2'6" to 3' courses, as well as small (2'6") cross country obstacles. Her trot is absolutely gorgeous with lots of suspension!
